The Law is described in several places in the Holy Bible, for example in Exodus 20:1-17. God wants us to keep all ten of the Commandments, for we shall be judged by this law. The Fourth Commandment asks us to Remember the Sabbath Day, the seventh day of the week, Saturday, as our day of rest. Perhaps you feel that you do not have enough power to keep the law, but if you ask Him, Jesus will give you all the power you need to obey Him. Through Jesus you will find peace and rest.

Jesus loved us so much that He came to the Earth. He showed us the right way to live, and how not to break the Law. He ended up by taking our punishment, so that we can be saved from sin and law-breaking.
